

Please help the North Vancouver Torch Organizing Committee by spreading this message:

#1 – Please walk, ride your bike, take transit to the Lynn Valley Olympic Torch Celebration. Bike storage area will be at Lynn Valley Village. (see signs at LV Village – Lynn Valley Road and Mountain Highway)

#2 – If you drive, please organize car pools. Remember the messages from our Torch Relay sponsors: www.icoke.ca and www.carrytheflame.com “a better Canada” “a healthier Canada” “the environment!”

A map is provided to show additional parking areas. Lynn Valley Centre has asked us to assist the merchants by not parking in the remaining parking areas of Lynn Valley Centre. This is important as we are taking a major section of their parking for the Torch Celebration. The attached pdf. of parking areas can be emailed or attached to web sites.

#3- The weather:

http://www.theweathernetwork.com/fourteenday/cabc0205?ref=qlink_st_14day

The forecast is for rain ☹ The good news is forecasts for North Van are never accurate and the weather for the day before and after looks better. Let's hope (and pray) it does not rain.

Now, if it does. I would like to suggest that we all wear good rain hats and red ponchos. Umbrella's and crowds do not mix. Eye balls can be injured and it will block the view of the stage. If possible please do not bring an umbrella to the Lynn Valley Celebration. This is my personal opinion, not the opinion of the DNV or any other organization. Please post and forward this message as much as possible and once again, thank you for your support of our day with the Olympic Flame!
