

For people who are wondering about getting to the Torch Celebration on February 10th, there will be a professional Shuttle Service from Kirkstone Road. A pdf map of the route is attached. The red arrows point to the direction the shuttle will be taking. All pickups will be on the right hand side and on the north side of Kirkstone Road. The last pickup is 1:30PM as the lighting of the cauldron is at 1:52pm in the Lynn Valley Centre parking lot near the Black Bear Pub. Other options:

- take transit
- ride a bike
- park your car six blocks away & walk
- if you live close, just walk

Don't forget to wear some **RED**.

The torch route has changed a bit. It is no longer going to be on Kilmer Road or Hoskins Road. It has been re-routed to Dempsey. See link below.

[Vanoc's Official Interactive Torch Relay Map](#)

step 1 - click on Day 104

step 2 - click on the red dot for North Vancouver

step 3 - click on "view map"
