## LETTER: Tree cutting a travesty

North Shore News

March 27, 2015 10:05 AM

**Dear Editor:**

As a regular visitor to North Vancouver, I was horrified to see the absolute devastation of the trees in Bridgman Park along Keith Road.

I cannot imagine any possible justification for this travesty. It changed the skyline so much that I was not sure where I was.

North Van should be thoroughly ashamed of this destruction and someone should be held accountable.

**Christopher Key**  
**Bellingham, Wash.**
