Thanks Brian. This issue is being discussed at the Mayors' Council on Translink, which Diane Watts chairs. This Council, set up in the new legislation, is lukewarm at best about the new relationship, and we are very taken aback by the decisions made thus far....totally out of line with public expectations. Your suggestion will be discussed by Council....thanks for your ongoing good work.....best wishes, Richard

Subject: Letter from FONVCA

Mayor & Council:

At the January 17 meeting of the *Federation of NV Community Associations* (FONVCA) a discussion ensued over the Translink Board's decision to hold its meetings in camera. Members of FONVCA agreed that holding such meetings behind closed doors goes against the spirit of open and accountable governance. As a result of this discussion the following motion was adopted unanimously:

"That FONVCA requests that the Council for the District of North Vancouver give strong consideration towards:

- objecting to the newly appointed Translink Board holding their meetings behind closed doors*
- working with other municipalities in support of the above"*

Sincerely,
Brian Platts

Federation of NV Community Associations
