## **A Yes vote supports Blue Bus**

Mike Millard / North Shore News

West Vancouver - An open letter to Mr. Trevor Lautens: You, sir, are a hypocrite!

In recent columns you have consistently denigrated contentions of the Yes side, yet I see you regularly using our local bus service to get around.

I am proudly voting Yes in the referendum, to ensure that our excellent Blue Bus service stays that way. From your comments I infer that you would be happy for it to just fall apart. That must not happen.
