Development Information Open House

Early Public Input Opportunity -Rezoning Application
Proposed two lot subdivision with single family homes
and coach houses
340-344 E Keith Road

Halex Architecture has submitted a development application to the City of North Vancouver requesting to rezone the two existing lots to permit four lots, each with a detached single family home and level B coach house in the rear yard. Coach houses on the eastern 2 lots would be attached and coach houses on the western two lots would be attached.

Interested members of the public are invited to attend the Development Information Open House with the Applicant for an early opportunity to review the proposal and offer comments.
