LETTER: Stop the scare mongering

North Shore News

March 4, 2015 10:20 AM

Dear Editor:

I'm getting weary of all the scare mongering that we have to vote Yes.

I have no bus service where I live in West Vancouver. There is not enough money from TransLink for this service. Walking and cycling is impossible due to the steep terrain. Do I think this will change if I vote Yes ... don't think so.

Ina McMillan

West Vancouver
