BURRARD INLET FROM AB

CITY

The properties along Dollarton Highway feature relatively modest homes on expensive lots, with the prices ramping up several-fold as I round the corner of Cates Park

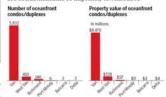

I round the corner or active and along Beachview.

At Deep Cove, I pull abore for a bathroon break and cashew-celery soup lunch, and stock up with food for dumer and breakfast. I am the only kayak on the water this afternoon, but the cove is home to a popular kayak and standup paddle-board rental operation in summer.

Oceanfront by the numbers
