

LETTER: Casino negatives outweigh positives

Dear Editor:

I am emphatically opposed to allowing the location of a casino anywhere on the North Shore. Any municipal revenue from a casino is dirty; it provides another opportunity for money laundering by criminals, facilitates temptation fulfillment for addicted gamblers, destroys families, attracts pawn shops and their obscene interest rates and swells the welfare rolls.

What next – street drug outlets for dealers? Casino negatives far outweigh casino positives. Don't let it happen here; tell the politicians.
