Dear Mr. Sadler:

Thank you for your concern in the matter of the Complaints Resolution Procedures as outlined in your e-mail to Mr. Sherwood Johnson, District Manager Human Resources.

In light of the outcome of the last municipal election which, with the exception of myself, saw District Council being completely controlled by CCA endorsed Council members, not to mention the threats made by one of its members after the election results had come in, I am sure you are not surprised that this matter was NOT handled within the logical scenario as outlined by Mr. Johnson in his reply to you regarding this issue.

Yours truly,

Ernie Crist
