Hello Members of Council:

Re: Staff Report with regard to a validly issued business license to Suzanne Stromotich for fruit vending at Welch Street which staff are attempting to overturn --- now coming before Council in an in-camera meeting set for 5:00 pm 6 May 02.

I was unable to delivery my submission to you at home yesterday.

I will call your homes this morning, and those of you who are at home I will deliver my submission to before noon today. Those of you who are not at home, I will leave a copy of my submission marked to your attention, with the Acting Municipal clerk, later this afternoon.

I can deliver to any of the Councillors at any other location they would prefer, if so please let me know by e-mail or phone 604-926-2691

The submission is properly indexed with Table of Contents and Tabs. It includes all e-mails, and submissions. I trust that the Clerks office will include my submissions to council meetings on 15 Mar 02 and 02 Apr 02, which I rely on and would like put before Councillors but have not duplicated for this submission, since you have them already.

Thank you.

Sincerely

Frank Stromotich on behalf

of Suzanne Stromotich
validly issued business license holder.
