A MESSAGE FROM ERNIE CRIST:

I suggest our Manager look into this matter (below) and reply to the suggestion from Dr. Earnshaw (below) with copy to Council.

Dr. Earnshaw a highly respected resident and veterinarian of the North Shore has written a note, suggesting that the District follow the example of other municipalities and hire students for the summer.

Here is the text of this note;

Dear Ernie:

"The move to tighten up on Dog licensing is timely. On several occasions the City of Vancouver has employed university students to undertake the survey of non-payers under the Federal Employment scheme where non union employment is permitted..... at much lower rates.

The organization must be through municipal input but is usually cost effective. The survey is done through the summer months and is not too difficult to organize and supervise".

Best wishes

Ernie Earnshaw
