Hi David:

Are you aware that instead of designated bicycle lanes on Lynn Valley Road as indicated in the Lynn Valley Community Plan bicycles will have to share the road with cars?

Are you also aware that the additional width provided to accommodate such bicycle lanes on Lynn Valley Road is 18" ? And are you also aware that the width of a bicycle bar (mine anyway) is 24"?

My question to you is will JBAC do anything to expose the bicycle lane hoax if not the whole Lynn Valley "Pedestrian Town Center" hoax?

Ernie

Subject: [JBAC] Dave Perfitt pledges \$1500 towards W. 3rd St. Bridge

Just to let everyone know: my plan for this year (now that I'm no longer a JBAC member) is to focus on a campaign for the construction of the W. 3rd St. Bridge.

- * Provided the bridge is built, I'll donate \$1500 of my own loot.
- * I'm working on a presentation to DNV Council
- * I still firmly believe that more users (cyclists/pedestrians) are attracted to low motor vehicle volume routes. The W. 3rd St. bridge would see 400+ uses per day (pedestrians and cyclists). 400 uses/day per \$10,000 tax dollars is great tax dollar efficiency!
- * There are several opportunities in the DNV and CNV to connect low M.V. volume roads with cyclist/pedestrian bridges, that would be well used. This one is one of the lowest in costs, approx. \$10,000 now minus \$1500. I will be canvassing for more support politically and financially.

I hope for the full political support from JBAC, and if anyone is interested, any amount of financial pledge. When I'm ready with the presentation I'll run it by you.

Thanks Dave
