**CC:** Mayor and Council - DNV <Council@dnv.org>

Hello Dave and Jenny:

I Got the message. Maybe you hit on the solution - let the grass grow so we won't see the garbage. Rats like it better too. An additional advantage is that we can proudly point to a reduction in our waste stream. Have a nice vacation.

Ernie Crist,

Hi Ernie we went down to Mackay Creek park yesterday for the first time in five weeks as we were away on vacation and due to the wet weather in the last month the undergrowth has had considerable growth so you cannot see all the garbage now so maybe we should cancel until the fall.

Thanks for your interest

Dave and Jenny

Subject: FW: Your le-mail complaint re garbage on Dollarton Highway;

Importance: High

Hello Dave and Jenny:

I have seen for myself so this is neither new nor is it a surprise.

However,

I will bring it to the attention of Staff just the same. Also I will give

you a call just as soon as I see my way clear. Maybe this coming weekend.

I thought you might be interested in the e-mail below which I sent to a resident with similar complaints. The line you got about lack of money is horse dung.

Ernie
