Dear Mayor & Council: March 11, 2002

### **Agenda Item 6: District Council Meetings Summer Schedule**

If Council does not want to meet during certain weeks of the summer, members should be encouraged to take their vacations during this time.

This Council's attendance record has been less than stellar, with many absences due to personal holidays. In fact during the important 2001 Budget deliberations, Mayor Bell choose to take a trip to Hawaii.

If Council wants to book holidays whenever they choose, I don't believe there is justification for restricting District business & impeding staff efficiency during the summer months.

Yours truly, Dave Sadler
