Dear Ms. Shana Burrows:

In numerous emails Ms. Hilsen assured me that this matter had been discussed with the Chair of the VATF and had been brought to the Municipal Manager's & the Mayor & Council's attention. Yet the VATF continued to exclude the public from their meetings & crafted their report in 'secret'.

I previously submitted a formal complaint to the Mayor & Council and the Municipal Manager, which they ignored and which I received no response, let alone an acknowledgement. As this complaint surrounds the possible contravention of the Local Government Act, I would prefer that the complaint be addressed in writing.

Yours truly, Dave Sadler
