A MESSAGE FROM ERNIE CRIST

A complete list of all the motions I submitted in writing in the last 5 years for Councils consideration is available upon request. Some newly elected members of District Council, 5 of whom were endorsed by the "Citizens for Responsible Government", recently claimed that such motions may have been frivolous etc., and that subsequently refusing my right to explain such motions, when they came up for debate, may have been and continues to be justified.

I am making the list available so that you may decide for yourself whether these charges are justified or simply based on political bias. There was also a charge that I may have submitted more than two such motions at any given time, thus taking up too much Council time. This is another red herring, of course, and in any case, could only happen if an agenda was not completed and motions had to be carried over to the next Council meeting, more than likely the result of either poor chairmanship or deliberate manipulation of the agenda.
