A MESSAGE FROM ERNIE CRIST;

On Dec. 27 - 2002 I submitted the motion printed below. When I received the In Camera Package today Friday Jan 3 - 2003 at 4 pm, somewhat to my surprise I saw it listed as an In Camera item for this coming Monday. Normally it takes two weeks for a motion to be dealt with after it has been submitted. A copy of the motion was e-mailed to both FONVCA and my community list on or about the time I submitted it on Dec 27-2002. At that time I had requested that the motion be dealt with in public but was informed by the Clerk that it is an In Camera item. This motion in my opinion will not in any way detract from any other effort made by the residents re this issue.

Motion - Report Councillor Crist

Councillors' Recommendation

That the Municipal Manger reveal in writing to Council the exact date when it was known to him and/or his staff that the financial irregularities in connection with operation and maintenance of the Northlands Golf Course reached or were of an amount greater than \$ 25,000, at which time the Municipal Manager was obliged by both statue and Council policy to inform Council.

Ernie Crist,
