Notice of Motion

Report Councillor Crist.

That the Acting Manager Mr. Dennis Back be requested to provide a written response to Mr. Jeremy Dalton's repeated requests for legitimate information including on the following items

- 1) What is the status of the Wolridge audit? When will it be released ?
- 2) When will the Northlands committee re-convene?
- 3) What is the status of settlement efforts on the \$ 300,000 Northlands lawsuit?
- 4) What is the status of the RCMP investigation of Ms. Hammond?
- 5) Why do staff (clerk, mayor's secretary, director of planning, and others) not return phone messages, nor respond to letters?
- 6) Canlan will be a future problem. Does DNV have a game plan as to resolution, in the absence of a rescue effort by Victoria?

and further that a copy of the response to Mr. Dalton by the Acting Manager Mr. Back also be provided to members of Council.

Rationale:

Mr. Jeremy Dalton a community activist has made numerous requests to District Management, the Mayor and Council for clarification regarding extremely relevant community issues.

Mr. Dalton claims that his requests are legitimate but that they have been largely ignored. Mr. Dalton claims are justified for not only have requests by the public to several of the above mentioned issues been ignored but requests by members of Council for relevant information have been ignored as well.

On several occasions, for instance, the Mayor has promised to release information pertaining to the Northlands Audit but has failed to do so.
