Mayor and Council.

Council was ill advised in conducting the Draft 2003 - 2007 Financial Plan meeting at 5 pm last Wednesday Feb 12.

Although the meeting was for Council and staff discussion only, it was still open and of interest to the public. It is after all their money we are discussing. To hold such a meeting at 5 pm when the majority of people are just getting home from work and/or are eating their supper is surely not very considerate or effective.

I hope that in future we can find a more convenient time unless of course we want to convey the message that we don't want people to be there.
