Dear Ms Bellhouse:

I totally agree with you that the Deep Cove Yacht Club should have been charged the going market rate for its facility. This was recommended by staff and I made a motion to that effect.

Unfortunately my motion did not get a seconder and so Councillor Nixon's motion to reduce the suggested amount of 24,000 per year to \$12,000 did carry. Can this giveaway amount be justified? I do not think so, but that is how Council voted and unless the public protests louder than it has in the past and I mean the public in larger numbers rather than just a few individuals such as yourself, this injustice will continue.

Thank you for your input,

Yours truly,

Ernie Crist
