&gt; Dear Editor:

&gt;

&gt; Three cheers for Trevor Lautens "Anti Catholicism". If there is one thing we should all loathe it is witch hunting under any pretext. One need not be pro catholic or subscribe to any "ism" for that matter to discern an element of media bigotry against the Catholic Church as a result of its stand on the same sex marriage issue.

&gt;

&gt; If hypocrisy is an issue as is being claimed than let the self appointed judges be the first to be scrutinized. When it comes to hypocrisy in the sex arena, Canada can surely be counted as a first line candidate.

&gt;

&gt; There is nothing more hypocritical than our current prostitution laws which prohibit bordellos on one hand while allowing women to be murdered in the back alleys of our cities.
