> Dear Councillor Crist,

> I sincerely apologize for the inconvenience that you and several other people experienced with our Box Office on Saturday, Aug 30 when you attempted to purchase tickets for "Song of Austria".

> Our regular Box Office hours are Monday - Saturday, noon - 4pm however, our summer hours are reduced to Monday - Friday, noon - 4pm. Our Box Office staff used the incorrect message on Aug 30, which was misleading to people trying to contact us. There is a recorded message on the Box Office telephone line. Although callers can leave messages, our message last week did not explain that. We have since corrected our message. Now when customers call the Box Office outside of regular hours at 604-984-4484 the new message invites callers to leave a message.

> We have apologized to Trudy Duller, who is organizing this performance and to any others we are aware of who were inconvenienced by our mistake.

> I thank you for bringing it to my attention on Saturday. At the time, you and I agreed that we would open the Box Office on Monday, Sept 1 for regular hours. On Monday, we sold \$675 worth of tickets, all for "Songs of Austria". Over the past couple of weeks, I have also been taking telephone ticket orders outside of box office hours to assist patrons for this show.

>

> Tickets for "Songs of Austria" have been selling quickly and I expect we will have close to a sold out performance. I hope you and your wife enjoy the show.

>

> If I can provide any additional information, please contact me at 604-983-6455.

>

> Sincerely,

>
