> *Report Councillor Crist*
>
> *That in line with a request from Mrs. Doreen Holt a District resident [Ernie Crist]
living at 807-995 Roche Point Drive and speaking on behalf of the Seniors of the Roche
Point area in the District, the Mayor send a letter to the C.I.B.C. Bank [Ernie Crist]
asking them not to close the Parkgate branch in the District since closure of that
branch would greatly inconvenience the Seniors of this area and is contrary to the
livable community concept as [Ernie Crist] enunciated in the Seymour Community Plan
which emphasizes that services be within walking distance or at least be reasonably close
to residents.*
>
> *Rationale:*
>
> *According to a letter received by the Mayor and Council of the District there has been
a great deal of concern over the proposed closure of the above branch in the this well
populated area of Seymour,*
>
> *According to the letter from Mrs. Doreen Holt [Ernie Crist] , a senior living in this
area [Ernie Crist] ,   this is the second branch [Ernie Crist] bank to close in the
shopping center within the last 2 years [Ernie Crist] .   [Ernie Crist] T he [Ernie
Crist] Bank of Montreal [Ernie Crist]   now located in a small corner of the Parkgate
Safeway store is not a full service establishment.*
>
> *Also according to the letter, the seniors of this area, and there are many, who no
longer drive and do not care to use the latest technology of touch - phone and automated
bank machines, have been advised by C.I.B.C. their accounts will be transferred to the
16th and Lonsdale branch. This is two bus rides away from the area and is totally
unreasonable.*
