Dear Mr. Lalonde.

This is a matter you should bring to the attention of District Council at a Monday Night Council meeting. You will have to speak up yourself against this alleged injustice.

You should also have spoken up at the last Monday Council meeting when the matter of trees on private properties came up. The bureaucrats and their puppets understand this and once again they spoke up in numbers to make their case. But from the other side, that is from the side of the victims of bureaucratic bungling, there was only one speaker. Since politicians count noses, my case was not very effective. I will do the best I can but people in this community will have to stand up and be counted, I cannot do it all by myself.

I will bring this matter to the attention of Council in the form of a motion. I will also send a copy of your letter to Mayor and Council as well as to Fonvca. You may also wish to enquire how the matter will be dealt with by checking with the Clerk at 990-2424.

Thank you,

Ernie Crist
