> Dear Mr. Ridge:

> Mr. Craig Turner Sales Director, North Vancouver. com. West Vancouver. com Ltd.
addressed Council in a matter of propriety of District transactions with the North
Vancouver Chamber of Commerce. Mr. Turner among others made claims both verbally and in
writing which reflect poorly on the District and needs clarification.

> He stated among others that a Kamloops Telemarketing Company with which the Chamber of
North Vancouver conducted business defaulted on its contract with the Chamber of North
Vancouver and that as a result of this thousands of dollars are unaccounted for
including an estimated \$ 300 to \$ 400 dollars from the District of North Vancouver.

> He also stated that the District's decision to purchase advertising on this Kamloops
website was in total contravention with the District's own advertising policy as stated
in it policy manual.

> He further requested that the District demand a refund from the now defunct Kamloops
company and/or seek compensation from the Chamber of Commerce and further requested that
in any case the District investigate these charges and provide reasons for endorsing
this now failed company.

> Since the District business practices and professional reputation has been challenged
in public, it behooves the District to clarify this issue in public.

> Yours truly,
>
> Ernie Crist.
