Subject: North Vancouver Male Charged with Theft of BMW

North Vancouver RCMP have arrested a male after finding him in a stolen vehicle.

On the early morning of August 19th at approximately 5:15 am, North Vancouver RCMP pulled a BMW over for driving over the speed limit. Police queried the vehicle and found that it was owned by a female. When police approached the driver he said that it was owned by his male friend, "Jason." He could not give any details about Jason as he had stated that he just met him. Police then noticed that the passenger side window had been smashed out and there was glass on the floor of the car. Also, the stereo was half way out of the dash.

Police than arrested the 27 year old, North Vancouver male for Possession of Stolen Property. He will be brought before the courts this day.
