Subject: Drive-By Shooting

On 05-02-19 at approximately 0300 hrs a report was received of possible shots fired in the Lynn Valley area of North Vancouver. Patrols and enquiries were all negative.

At approximately 1630 hrs the same day a male attended the Detachment to report that his house, located at 21st and Rufus in Lynn Valley, had been the subject of a drive by shooting at approximately 0300 hrs.

Members attended the scene and discovered four bullet 'marks' on the house. No bullet appears to have penetrated the house. An examination of the scene has uncovered physical evidence which seems to confirm that the residence was targeted by a firearm.

Initial investigation indicates this was not a random act.
