A MESSAGE FROM ERNIE CRIST

"Slates" are a fact of life in the District of North Vancouver and it has been so for years. AT THIS VERY MOMENT A MAJOR POLITICAL PARTY IS MOBILISING ITS TROOPS AND SUPPORTERS TO GET ITS PEOPLE ELECTED TO DISTRICT COUNCIL WHETHER YOU CALL IT A SLATE OR WHATEVER, IT IS A FACT. You may not know the history. Remember the CCA - they formed a civic slate and kicked very single member OFF Council who was in favour of opening the waterfront to the public but one and they almost succeeded in getting rid of him as well. THEY ELECTED THEIR PEOPLE TO COUNCIL. AFTER THEY GOT ELECTED THEY DENIED IT. MOST OF THEM ARE STILL ON COUNCIL. Ask Janice Harris whether she was endorsed by the CCA and ask her whether she was endorsed by NET, ask Nixon whether he was endorsed by NET and ask McKeon Homes whether she was endorsed by NET. Ask Walton whether he was endorsed by NET. "Ye shall know them by their deeds".

The political cemetery is full of people who did not want to believe this, so please do not fool yourself by believing that there is no slate. THERE IS A SLATE - It may not be an official slate so as not to alert those who are not part of it and to fool the public, but it is an undeniable fact nonetheless. LET ME REPEAT IT AGAIN. AT THIS VERY MOMENT A MAJOR political party is mobilising its troops to elect their friends. THE POLITICAL CEMETERY IS FULL OF People WHO IGNORED THIS FACT.

If evil people can unite to accomplish evil deeds than so can good people unite to accomplish good deeds. Leo Tolstoy - War and Peace. A good deed at this moment is to get rid of the old "slate" on Council and make sure that their would be successors are defeated as well.

All - please ensure you do not engage in slate politics, this
only undermines the democracy our parents and grandparents fought to
prevent.

One person one vote, with open mind and good conscience
