To whom it may concern:

Both Lyle and Monica Craver are NOT members of RALV, nor have we shown an interest in joining any time soon. We are members of the LVCA and Upper Lynn Residents Association (ULRA) only. Just to clear up the possible confusion. Thank you.

Mayor Walton and Councillors:

The Residents' Association of Lynn Valley (RALV) requests that the current yellow street crossing warning light on 27th Street in Lynn Valley be changed to a full pedestrian activated red (stop) signal as was urged by the residents of the Kiwanis Towers when this device was installed.

The present yellow signal is not adequate. It is difficult to see and it is being ignored by many drivers and puts persons crossing 27th Street at risk.

Thank you.
