Dear Brian,

As you are aware, we have formed a new community association in Lynn Valley. For the time being, it goes under the name Residents' Association of Lynn Valley. The reason for this action is the mounting concern expressed by a growing number of the residents about the future of their community. This includes immediate plans for the redevelopment of Whiteley Court plus the as-yet unofficial plans by Bosa to transform the current mall into a regional car mall and increase the parking spaces from the present 700 to 2,100.

We believe that the densification which has occurred in the centre of Lynn Valley was not carried out in the spirit of the plan and instead of enhancing the livability has resulted in more traffic and more pollution.

We would like to be part of FONVCA and we would appreciate hearing from you whenever you have a meeting. We would like to send a representative for our mutual benefit.

We will register as a community association in due course.

I am looking forward to your response.

Thank you very much.

Wendy Qureshi  
Spokesperson  
Residents' Association of Lynn Valley
