Dear Mayor and Council:

It is clear you can't "work with" the mountain bikers/NSMBA --- *only "for" them!* How about DNV working, instead, with other sincere forest users/conservationists who do not abuse the forest environment , nor flaunt the rules?

With friends like these, who needs enemies? Take care.

Phantasmagoric! Great ethereal photos for an ethereal event. (Re: the "protest" night ride/hike inside Mountain View Park, Thursday April 24th)

Kudos to all the bodies/unbodies that showed up. Many thanks.

(Alan Bardsley, a West Vancouver mountain biker/NSMBA member, came out to kibbitz with Mayor Walton on the subject of "night riding", during the recent Parkgate "Meet the Mayor" venue on Earth Day. It looks like the civil discussion did not register "between the ears" of AlanB)

Please, pardon my sarcasm! Thank you.
